## A little change can make a big difference...

This is the third year Joyal Capital Management Foundation has made the holidays a little brighter for children in need through our “\$100 for 100” program. Thanks to our generous supporters, we have been able to help more youngsters in more locations every year.

### Joyal Capital Management Foundation, Inc. Sponsors Tehrron Green to RBTV

**Tehrron Greene**  
proud recipient of  
the RBTV  
Sportsmanship Award

“I learned that if I see someone in need, I shouldn’t just walk past, I should ask them if they need my help. I also learned that if I have a goal I should never give up on it or back down. In other words, I should never give up.

I would like to go back because as soon as I walked in they showed me love and it was like they just invited me

to the family and showed me love and peace.”

Tehrron gets a goodbye hug from Ron Burton, Jr.
